Updated 3/9/26

POOL CLASSES

Arthritis Basics: Beginner Level class with no *White Water*- Students will go through a series of movements to help with pain from arthritis. Range of motion, flexibility and muscle strengthening exercises will be performed as well as memory and cognitive thinking exercises

H2O Aerobics: A moderate to high intensity aquatic aerobics class ending with arthritis range of motion exercises as a cool down.

H2O Ai Chi: Ai Chi uses gentle slow movements in progression and mental focus on flowing movement of the body and balance. Body posture, movements of Life energy, balance and meditation. It is a combination of Gigong, Tai Chi and balance for healthful living.

LAND CLASSES

Strength Circuit: Components of strength and conditioning are used in a fun group setting to strengthen your upper body, lower body, core, increase flexibility, and improve cardiovascular health.

Cardio Interval: Have fun in this high energy low impact cardio class mixed with intervals of weight training using a variety of equipment - Hand Weights, Body Bars, Exer-Tubes, etc.

TaijiFit: combines the best elements of fitness, meditation, and the ancient art of Taiji (Tai Chi). This workout connects the Mind and Body in what is called FLOW. It is Movement Meditation. It helps improve balance, mobility, endurance, flexibility, breathing and coordination in a gentle way.

Wednesday Wellness: Gentle Mind & Body Reset with Aubrey. This welcoming class is designed for adults who are feeling stressed, tense, or simply worn down. Think of it as the exhale your body has been searching for.

Mat Yoga: A gentle, accessible yoga class focused on improving flexibility, balance, and strength. Movements are performed primarily on the mat with options and modifications offered to meet you where you are.

Chair Yoga: A supportive yoga class done seated or using a chair for stability, perfect for improving mobility, posture, and relaxation. Ideal for those looking for a safe, low-impact way to stay active and connected to their breath.

Movement is Medicine: is a thoughtfully designed class that builds strength, improves cardiovascular health, and enhances balance and mobility to support everyday life. Each session blends functional movement and corrective exercise, with weekly programming adjusted to meet the needs, goals, and feedback of participants—so everyone can move better, feel stronger, and stay confident.

Yoga Sculpt: A fiery blend of yoga flow and strength training. Expect light weights, bursts of cardio, and breath-led movement that tones, strengthens, and energizes. Perfect for kicking off your week with power and sweat.
